

# Ancaster Heritage Days

JUNE 8-12TH, 2010

## SPONSORSHIP OPPORTUNITIES

Dear Patron,

Help us promote community spirit and foster a celebration of our heritage that inspires a strong cultural identity for people that live, work, play and visit Ancaster. This year the Ancaster Heritage Days Committee is encouraging our area businesses and service organizations to sponsor our annual week long Ancaster celebration. In addition to your financial support, we encourage all businesses to take an active role by encouraging employees to wear period costumes, decorate their storefronts and/or enter a float in the parade.

In order to make the event as spectacular as we envision, we need your help. Sponsorship levels have been determined and we look forward to including your business!
